IMPORTANT ARRESTS

Made by Detectives. Assisted by the Local Police.

Two Men Charged With Having Burglarized a Store in Webster County.

Detectives John Wilson, of Princeton, and Frank Tribble, of Dawson, assisted by the local police, arrested two men at the Gooch House in this city yesterday morning. The men gave their names as John Harrison and George Williams and are suspected of having burglarized the store of J. W. Jones & Co., at Slaughter'sville, about a week ago. K. D. Rogers, deputy sheriff of Hopkins county, had a description of the suspects, and had followed them to a point near Princeton, where he gave up the hunt and turned over the matter to the two detectives.

Wilson and Tribble came to this city and with the assistance of the local police succeeded in locating Harrison and Williams and their arrest followed. When taken into custody the men denied the charge, but gloves, rings and other jewelry corresponding with some of the stolen property, were found in their possession and the officers think they have the right men. The detectives left at 9:45 yesterday morning with their prisoners for Dixon, where an examining trial will be held. There was a reward of \$75 offered for the arrest of the parties who committed the burglary.

BADLY BURNED.

Came in Contact with a Grate While Playing.

A little daughter of Mr. R. E. Faulkner, who lives a few miles west of Herndon, was quite badly burned Friday. She was in a room playing with her little brother and fell against a grate. Her face came in contact with the hot bars and the flesh was seared in several places. Her screams brought her mother to her side in a few moments and the little girl was rescued in time to save her life.

POPULAR YOUNG MAN.

Succumbs to an Attack of Typhoid Fever.

Walter Edwards, the 19-year-old son of Mr. E. W. C. Edwards, died at the home of his father, a few miles east of the city, at an early hour yesterday morning, after an illness of typhoid fever. He was a very popular young man, and was held in the highest esteem by a host of friends. The interment took place in Hopewell cemetery yesterday afternoon.

Letitia Wootton, a colored woman, aged 19 years, died at the home of her parents near Casky, Sunday, of spinal meningitis. She was taken sick with the disease on last Wednesday, soon became unconscious and never rallied. This is the second death from this dreadful disease in the county within the past two weeks.

S. K. C. A WINNER.

Visitors Defeated by a Score of 5 to 0.

In the game of foot-ball at Mercer Park last Thursday afternoon between the team from Bethel College, Russellville, and the South Kentucky eleven, the latter was an easy winner, the score being 5 to 0. The contest was very exciting and was witnessed by a good-sized crowd. The visitors did some good work, but were outplayed.

COUNTING VOTES.

The State Commission Met Yesterday at Frankfort.

Will "Examine" the Votes and Then "Canvass" Them According to Law.

Frankfort, Ky., Dec. 4.—The State Board has announced that the general public will not be admitted to the count. The Republican leaders know that their "army of intimidationists," as the Democrats call it, will not be admitted, and they do not believe that Judge Pryor, Capt. Ellis and Mr. Poyntz can be made to fear for their personal safety by threats of violence. But the Democratic leaders say that the Republican hope, through the excitement aroused by the presence of a big crowd, to impress the State Commissioners with the belief that if the certificate is given to Senator Goebel there will be serious trouble and the responsibility will be on their shoulders.

It is believed that the count will not be finished before Wednesday or Thursday, or, possibly, not until Friday or Saturday. For whatever may be the decision of the board as to its powers in "examining and canvassing the returns," it will probably hear the two sides argue the question. Besides there must be a tabulation of the vote from each county in all the State races. There is no probability of a conclusion of these labors before the middle of the week.

If Attorney General Taylor gets the certificate, he will be inaugurated a week from Tuesday, and it would end the fight, unless Senator Goebel should decide to make a contest before the General Assembly.

If Senator Goebel gets the certificate, it may be necessary to enjoin Mr. Taylor from attempting to take possession, for it is asserted by the Republicans that, whether or not Mr. Taylor gets the certificate, he will be inaugurated on December 12. In other words, they are planning, if in this they are serious, to ignore the action of the State Board. They declare that a week from next Tuesday Mr. Taylor will make his inaugural speech in front of the State-house. If Mr. Goebel had the certificate, it is probable that he would go into the State Fiscal Court, over which Judge Cantrill presides, and enjoin Mr. Taylor from usurping the office.

It is only the Republicans that are talking about civil war and bloodshed. The Democrats express the firm belief that there will be no trouble.

Mayor Dehoney has decided to swear in 60 extra policemen. This is not especially on account of the gubernatorial contest, but chiefly because of the crowd that will be brought here by the monthly court day and by the opening of the congressional campaign in this district.

COUNCIL LAST NIGHT.

New City-Fathers Held Their First Meeting.

The new city-council was expected to hold its first meeting last night for electing officers. The meeting had not been held when we went to press, as Councilman West was out of the city and due to return at 8:30. The new council is composed of 4 Democrats, 2 Independents and one Republican. The caucus nominees of the Democratic members were no doubt elected, though the slate was not made public beforehand.

The old Council held a meeting Saturday night and fixed most of the salaries at the present figures. The Chief of Police was raised to \$75 a month and the fire men were given an increase of \$1.50 a month and the chief raised to \$10 a month.

Jack Moody, of the Church Hill neighborhood, was last week granted a pension of \$ per month.

SUFFERED TWENTY-FIVE YEARS

Cured Permanently by the American Catarrh Remedy, Pe-ru-na.

MR. AND MRS. J. O. ATKINSON, INDEPENDENCE, MO.

Mr. John O. Atkinson, Independence, Mo., in a recent letter to Dr. Hartman, says: "My wife had been suffering from a complication of diseases for 25 years."

"Her case had baffled the skill of some of the most noted physicians. One of her worst troubles was chronic constipation of several years' standing. She also suffered with general debility and paroxysms—sometimes as often as six or eight times a day. At this time she was passing through that most critical period in the life of woman—change of life."

"In June, 1895, I wrote to you about her case. You advised a course of Pe-ru-na and Man-a-lin, which we at once commenced, and have to say it has completely cured her. She firmly believes that she would have been dead only for these wonderful remedies."

"About the same time I wrote you about my own case of catarrh, which was of 25 years' standing, and at times I was almost past going. I commenced using Pe-ru-na according to your instructions, and continued its use for about a year, and a completely cured me."

"I have to say that your remedies do all you claim for them, and even more. Catarrh cannot exist where Pe-ru-na is taken according to directions. Man-a-lin is a most wonderful medicine for chronic constipation."

Mr. A. F. Stern, Marine City, Mich., writes: "I was troubled with catarrh for three years, and tried almost every catarrh medicine heard of. I went down to Delaware, O., to attend college, where I got one of your Almanacs, and saw another remedy for catarrh. I was almost discouraged with trying all kinds of medicine, but my room-mate told me that your medicine was all right, and so I tried it. After taking seven bottles according to directions, I was cured and felt like a new man. I recommend it to all who are suffering with this dreadful disease. It is the best medicine for catarrh. I owe my health to you."

Mrs. J. A. Bashor, Knoxville, Tenn., writes: "My health was completely broken down and had been for almost a year. I could not rest day or night, but suffered constantly untold misery. Tried remedy after remedy, but found no relief until Pe-ru-na was recommended."

Catarrh is an American disease. Fully one-half of the people are afflicted more or less with it in some form. Previous to the discovery of Pe-ru-na, catarrh was considered well-nigh incurable. Since the introduction of Pe-ru-na to the medical profession thousands of cases are cured annually.

By aid of Dr. Hartman's free books and free correspondence a multitude of hopeless people are permanently cured of this most loathsome and stubborn disease every year. Anyone afflicted with catarrh should write Dr. Hartman, Columbus, O. Ask for free books or free advice, whichever you most need.
